Subject: Invitation to the Thailand High Schools Debating Championship 2019

Triam Udom Suksa School and the Triam Udom Debate Club are pleased to announce that the 11<sup>th</sup> Thailand High Schools Debating Championship (THSDC) will be held from Tuesday 5<sup>th</sup> March to Friday 8<sup>th</sup> March 2019. The THSDC aims to expand and further strengthen Thailand's debate society as well as enrich experiences for high school debaters.

The THSDC will be hosted at Triam Udom Suksa School, Bangkok, Thailand. As with previous years, it will follow the Asian Parliamentary (AP) debate format, where there are 3 speakers per team. Each team will have to bring 1 adjudicator (N=1 rule). At the moment, the tournament will consist of 6 preliminary rounds and a break into Quarter Finals with 2 teams capacity per institution, A "Rookie Break" will be considered to encourage new debaters's participation, if there are enough teams registered.

In addition, we are honoured to announce that Saranya Sachdev will serve as Chief Adjudicator for the 11<sup>th</sup> THSDC. Saranya is a renowned debater and adjudicator. Her experiences are highlighted with her championship in the 9<sup>th</sup> THSDC as well as Deputy Chief Adjudicator for Thailand World Schools Debating Championship 2018. Having Saranya with us in the 11<sup>th</sup> THSDC will ensure excellent competition for all the participants.

More information on the registration timeline and procedure, Chief Adjudication panels, tournament fees, and a detailed schedule will be released as soon as we have finalized with our partners. In the meantime, you can follow Facebook Page for updates: <https://m.facebook.com/thcdc2019/>

The organizing committee would like to ensure all potential participants will receive genuine Triam Udom's best hospitality and a competitive experience, as witnessed in the previous THSDCs. We look forward to seeing you at Triam Udom this March.

Sincerely,

Archin Sae-un
